

End the detention of asylum seekers

Prohibit the detention of migrant and asylum-seeking children

Stop the unnecessary detention of irregular migrants

The power of vote EU

Detention harms migrants' physical and mental health

Invest in alternatives to detention

Migrants and asylum seekers in detention have never committed a crime

The European Parliament can play a crucial role

in shaping an EU that is true to its values and utilises **alternatives to detention**. JRS Europe supports all political forces that commit to make detention in asylum and migration procedures a policy of the past.
