

SAFEGUARDING THE PROTECTION AND PARTICIPATION RIGHTS OF REFUGEES

- **Holistic Approach**

Provided not only material support but also integration trainings, language courses and social activities, professional trainings ensuring full integration

- **Collaboration with Authorities**

Close cooperation with the Ministry of Internal Affairs, NGOs and local institutions strengthened the impact

- **Tailored Support**

Programs were adapted to individual needs, making services more effective and accessible.

SUPPORTING SOCIO-ECONOMIC RE/INTEGRATION FOR REPATRIATED AND REFUGEE WOMEN AND GIRLS IN KOSOVO

- **Practical Skills & Employment Opportunities**

The project linked training directly to job placements, ensuring real economic empowerment

- **Long-Term Support**

Ongoing mentorship and follow-up helped women transition from training to sustainable employment

- **Strong Community Engagement**

Working closely with local businesses and communities facilitated acceptance and long-term success
